to review actions our property has taken to help support a safe and healthy work experience for all.

## COVID-19: HOW YOU CAN HELP

Click on the links below for more information on the many ways you can help your community during COVID-19!

### Support the Nonprofits Who Are Supporting Our Communities

### Donate Blood

California Community Foundation's **COVID-19 LA County Response Fund** supports COVID-19 related community needs in health, housing, education, and immigration.

United Way's **Pandemic Relief Fund** supports L.A. County's unsheltered residents, low-income individuals, students and families at imminent risk of homelessness and hardships.

American Red Cross is urging healthy, eligible donors to come out and give to ensure there's lifesaving blood on the shelves for those who need it.

They are also seeking **PLASMA DONATIONS** from people who have recovered from COVID-19.

### Feed the Hungry

### Assemble Hygiene Kits

### Support Families and Children

Feeding America's COVID-19 Response Fund helps food banks across the country support those facing hunger in communities impacted by the pandemic.

Save the Children and No Kid Hungry are teaming up to feed kids who depend on school for healthy meals.

Build hygiene kits and drop off at your local shelter.

Baby2Baby is collecting monetary donations to purchase, transport, and distribute basic necessities for low-income families, including diapers, wipes, blankets, hygiene products, clothing, and school supplies.

Meals on Wheels is in need of donations and volunteers in order to continue to provide meals to seniors during the COVID-19 crisis.

Check with your local Meals on Wheels provider to see what they need and how you can help.

**Do wellness checks (call/text/talk through the door)**  
Check on your elderly friends, family and neighbors with a call, text, or chat through a door.
